ELLEN WOODMAN.

AN INCIDENT OF BUNKER HILL. ARTHUR OF GROBER C. SMALL.

There was a sound of revelry in the old insusion of John Woodman, and the rich plied

and was every day wasing in the disposition.

His only child, to the house. The clash of the conflict confident strides, they start upon their they were both attacting him.

What ever it might have been, there these prisoners are fighting, when thou and as a woman she possessed much of who rushed to the spot in bot haste.

Within the fort all is hushed as the surely was something that had turned old sands of deluded men new sleep in un-

seph Winslow, who, as a soldier, stood high, but as a man, was fur below his fivel, John Pettengill. This young man had been in love with the beautiful El len, but, as his only qualifications were In, but, as his only quantitative with no fa multimess, of course he met with no fa you, contemptible thing.

How dare you in the hands of the old tory, who, to put him fairly at buy, had engaged his dagult er to Winshaw. But the young Englishman was far

from being the one that could win the heart of the tory's child, for she loved the young farmer ; and now that fate had set a seal upon h r hopes, she cared not for the spleader that sported so wantonly at her side:

On the occasion referred to there were gallant youths and beautiful maidens as sombled to pay their respects to her; but she sought the first opportunity that preden, where she had often listened so the manly melody of his voice, and bene-th the tree where she had acknowledged a love for the one she now despaired of being nearer to than a friend.

There were eyes to watch their movements, and ears beside their own to lis ten to their words, and store them up a plast her. A few days after this there bard " was a rumor that General Ward and the Committee of Sufety had resolved to erect a fort on Bunher Hill, and to defend it against wha ever force the British sponses from the hardy husbandmen who

Too evening preceding the morning be fore they were to murch for Charlestown young Pettingill, who had been chosen Captain of a company, went to pay his respects to Ellen, and say furewell, per

haps forever. And you are determined on going. then ?" she asked, as he mentioned the
